

Task

Task Requirements Document

Task Requirements:

Create **the pet's website**, you should have three pages (Home, Our Pets, Contact Us).

- All pages should contain the same header and footer.
- In the header, you should have a navigation bar and logo for the website.
- In the footer, you should have the contact information, the copyright, and any suitable content.
- The Home page contains information, images, or videos about the pets to encourage people to adopt one of them.
- The Our Pets page should have images of your pets (Gallery).
- The Contact Us page contains the contact us form and contact information, and any suitable content.

Notes:

- Don't forget to do the reset CSS.
- Feel free to add your creativity.
- Please do some research before you start and visit some **pet's website**.
